Company Description:

Ebocom is a fast-growing boutique technology company that provides back-office payment processing services. "Fast, focused and flexible" is our motto at eboCom and the eboCom team is the "best of the best"! We are focused on taking our technology to the next level and we are looking for another individual to join our team who possesses a "can do" attitude and is eager to help support our growth.

Position Description

As a key team member, the ideal candidate will have demonstrated experience with the Power BI development environment. This individual will work closely with the product development manager and other team members in a lead role to design, develop and deploy reports in both a web-facing and internal environment.

Responsibilities:

- Translate business needs into reporting requirements, identifying technology gaps and implementing appropriate solutions.
- Design and create data visualizations (reports) as required to support business needs
- Analyze datasets and reports to ensure data accuracy
- Write advanced SQL queries to support analytic project initiatives
- Collaborate with key partners, subject matter authorities, technical resources and Developers to define requirements and scope
- Coordinate, organize, and prioritize multiple projects in a fast paced environment to deliver reports to support business needs
- Administer critical analysis of test results and deliver solutions to problem areas
- Assist in the development and maintenance of documentation

Position Qualification Requirements:

- Bachelor's degree or equivalent experience
- 3+ years of work experience using Power BI
- Solid understanding of relational database architecture and proficient in writing SQL queries
- Ability to work independently with limited guidance in a collaborative team environment
- Self-starter, with strong organization skills and attention to detail
- Effective analytical and problem solving skills
- Ability to manage multiple tasks with shifting priorities

Additional Skill Considerations:

- Working knowledge and experience within the Financial Payments industry
- Working knowledge and experience with Oracle Database and PL/SQL
- Working knowledge and experience with SQL Server

Compensation Package:

- Paid Personal Time Off (vacation and sick days)
- 100% Paid - Family Medical, Dental and Vision Insurance
- 100% Paid - Life, Short-term and Long-term Disability Insurance
- Competitive salary
- Respectful and Harmonious First-Class Work Environment
- Paid Covered Parking

Obsessed with Excellence!
